2. I am to request that the special attention of the Senior Surgeon may be drawn to rule 7 which requires that applications for Study Leave should be accompanied by particulars of the course of study which it is proposed to pursue, as failure to comply with this rule often results in delay in sanctioning the leave.

REGULATIONS REGARDING THE GRANT OF STUDY LEAVE TO OFFICERS OF THE INDIAN MEDICAL SERVICE.

*****

1. Extra furlough for the purpose of study may be granted to officers of the Indian Medical Service on the recommendation of the Director General, Indian Medical Service.

2. The period of such Study Leave will be calculated in the case of an officer under Military Leave Rules at the rate of ~~one month for each year~~ one twelfth of pension service, and in the case of an --- officer under Civil Leave Rules at the rate of ~~one month for each year~~ one twelfth of active service, as defined in the Civil Service Regulation up to a total in either case of 12 months in all during an officer service. vide Resi-dency letter no. 42993 20.7.11.

3. Study leave may be taken at any time, but will not be --- granted more than twice in the course of an officer's service. -- This restriction does not apply to an officer who has part of his furlough converted into Study Leave under Rule 8.

4. The minimum period of study which will render an officer eligible for Study Leave shall be two months.

5. The minimum period of leave granted solely as Study Leave shall be six months. Time spent on the journey to and from India by an officer whose Study Leave is not combined with any other -- kind of leave, will reckon as Study Leave, but the allowance specified in Rule 10 will be granted during the period of study only. An officer whose Study Leave is combined with any other kind of leave will, however, be required to take his period of Study Leave at such a time as to retain, at its conclusion, a balance of other previously sanctioned leave sufficient to cover his return journey to India.

When an officer has been granted a definite period of Study Leave and finds after arrival in England that his course of study will fall short of the sanctioned period to any considerable ex-

tent

C3

extent, his absence from India will be reduced by the excess period of Study Leave unless he produces the assent of the authorities in India to his taking it as ordinary furlough.

6. Study Leave can be combined with any other kind of leave, provided the period occupied in study is not less than two months and, in the case of leave on medical certificate, provided that the Medical Board at the India Office certifies that the officer is fit for study. In the case, however, of officers in military employment, Study Leave cannot be taken in continuation of the combined privilege leave and furlough admissible under the terms of India Army Order No.64 of 1904, if the total period would thereby exceed ~~sixx~~ eight months, but Study Leave may be so taken provided such leave is for not less than two months and the total period of combined privilege leave, furlough and Study Leave does not exceed eight months; this limitation to eight months does not, however apply in the case of Study Leave combined with privilege leave -- alone. The total period of absence from duty in India, in the case of officers under the Leave Rules of 1886 for the Indian Army will be strictly limited to two years.

7. Except as provided in Rule 8, all applications for Study Leave shall be submitted, with the audit officer's certificate, to the Director General, Indian Medical Service, through the prescribed channel, and the course or courses of study contemplated and any examination the candidate proposes to undergo shall be -- clearly specified therein.

8. Officers on furlough who wish to have part of their furlough converted into Study Leave should address the Under Secretary of State, India Office, and should furnish a statement showing how it is pfoposed to spend the Study Leave. Similarly ----- officers on furlough or other leave who desire to have it extended for purposes of study should address the Under Secretary of State but in addition to the statement of the proposed study they must support their applications with documentary evidence of their --- having obtained the approval of the authorities concerned in India

(4

India to their applying for an extension of leave.

9. An officer who is at home on combined leave may be permitted to commence a course of study before the end of his privilege leave, and to count the period so spent as part of his Study Leave, without forfeiting his privilege leave allowances during such period.

10. For the course of study, lodging allowance at the rate of 8s. a day for a field officer, 6s. for a Captain, and 4s. for a Lieutenant, will be granted on the production of the certificates required by Rule 12. It is to be understood that in order to qualify for the grant of Study Leave or for the receipt of lodging allowance, a definite course of study at a recognised institution, which will occupy the time of the officer for five or six days a week, must be pursued. This allowance will not be admissible to an officer who retires from the service without returning to duty in India -- after a period of Study Leave. Lodging allowance will be admissible up to 14 days for any period of vacation.

11. The rate of pay admissible during Study Leave to an officer under Civil Rules is determined as follows:-

A. If the rate of pay admissible during furlough earned by service under Civil Rules is higher in his case than that admissible during furlough earned by service under Military Rules, then-

(1) He draws pay at the former rate for such period of his study leave as has been earned by his service under Civil Rules, and

(2) for the remainder, if any, he can elect either-

(a) to draw pay at the rate admissible during furlough earned by service under Military Rules, or

(b) to draw it at the rate admissible during furlough earned by service under Civil Rules for a period not exceeding the -- amount of such furlough at his credit. In

(5

In this case an equivalent period of the furlough at his credit earned by service under -- Civil Rules will be treated as if it had been earned by service under Military Rules.

B. If the rate of pay admissible during furlough earned by service under Military Rules is higher in his -- case than that admissible in respect of service Under Civil Rules, then-

(1) He draws pay at the former rate for such portion of his study leave as has been earned by his service under Military Rules, and-

(2) for the remainder, if any, he can elect either-

(a) to draw pay at the rate admissible during furlough earned by service under Civil Rules, or

(b) to draw it at the rate admissible during -- furlough earned by service under Military Rules for a period not exceeding the --- amount of such furlough at his credit. In this case an equivalent period of the -- furlough at his credit earned by service under Military Rules will be treated as if it had been earned by service under -- Civil Rules.

12. On completion of a course of study a certificate on the proper form (which may be obtained from the India Office) together with any certificates of special study should be -- forwarded to the Under Secretary of State, India Office, who will arrange for the transmission of copies of the documents to the Director General, Indian Medical Service. Officers may also be called upon to report themselves in person to the President of the Medical Board, India Office, on the conclusion of their course of study.

13. Study leave will count as service for promotion and pension, but, except, so far as it may be taken during privi-

lege

(6

privilege leave (see Rule 9), it will not count for furlough or any other leave. It will not affect any leave which may already be due to an officer; and will not be taken into -- account in reckoning the aggregate amount of furlough taken by an officer towards the maximum period of six years admissible under Article 299 of the Civil Service Regulations.
